Re: IB and AP exams

Attached please find the exam schedule for this year's IB and AP exams; you can also find a copy on the school website, sshs.rvcschools.org.

Students in IB Physics SL/HL and IB Business Management HL

<u>Note</u>: As detailed in a notice sent out last July, there is a conflict between the district's holiday recess and certain IB exams, specifically IB Physics SL/HL on April 25 and 26, as well as Business Management HL on April 26.

Students enrolled in these courses are expected to sit their IB examinations at South Side High School on the indicated days, even though the school is closed for recess. If you have any issues or concerns, please contact Elizabeth Nisler at 516-255-8834.

For all students sitting any IB or AP exams, the following **attendance policy** will take effect from May 1st through May 24th.

All students who are taking any IB or AP Exams

<u>Note</u>: On a day students take an exam, they are excused from regularly scheduled classes. All students must attend classes on non-test days.

This policy applies to both students who are full IB Diploma Candidates <u>and</u> those IB Course Candidates who are taking one or more exams. Teachers are to continue to report accurate attendance and hold classes each day. Students shall continue to be responsible for long-term assignments and commitments.

All students in IB and AP classes must take either the IB or AP examinations for that course. Failure to take the examination will result in the removal of weighting and the IB/AP designation from the final transcript. Additionally, the student will be required to take a school final exam as a cumulative assessment; this means the student will not be excused from that class during ASSESS.
